BOOK OF REGULATIONS & OPERATING PROCEDURES.
(Red Cover)

Commencing forthwith, the following amendment to the Book of Regulations & Operating Procedures 2004 will become effective :

64. DVR POLICY – FITNESS FOR DUTY :

Insert the following new Clause 7.

7. Members may participate in all train operation activities (either private or public running) provided the member is eligible to hold a motor vehicle Driver's Licence. Where a registered medical practitioner certifies that they are not currently eligible to drive a motor vehicle, or operate machinery or equipment, the member shall not operate any signal box or drive a locomotive until the medical restriction certification is removed. Notwithstanding the above provisions, having regard to the conditions of the certificate issued and its duty of care to members and the general public, the Railway may permit a member to carry out such other duties as it sees fit.

Kindly insert the above amendment on Page 59 of the Book of Regulations and Operating Procedures - 2004.

ALL CONCERNED TO NOTE & ARRANGE ACCORDINGLY.
