

COVIDSafe Private Booking Information

Commencing 1st January 2021

The Diamond Valley Railway has spent a considerable amount of time making the Railway safe for your booking. We have implemented a COVIDSafe plan and have made some changes to the way we run private bookings, including yours.

Booking Locations

Until further notice trains will not be available to be booked from Platform 1, Diamond Valley Station.

Booking group size

Your group will be limited to 95 people. We will require you to fill out the contact tracing attendance sheet and submit it the day before your booking.

For Jack Tatum Memorial Picnic Site bookings only:

If there are more than the allowed number of people inside the picnic site, we will ask you to reduce numbers. If this request is refused, we reserve the right to cancel your booking and ask you and your group to leave.

Face Masks

Fitted face masks are strongly recommended whilst queuing and riding the trains in accordance with government regulations.

Seating on the train

There will be four spaces on each train, each able to seat 4 people. This will ensure everyone can spread out. A minimum of one adult must sit in each carriage.

Train Rides

Train rides will be slightly shorter, but more frequent to ensure everyone has the opportunity to ride the train. We will ensure you get three trips in per half hour booking. Trains will still go over our bridges and through the tunnels!

Make sure you use the 'entry gate' to board, and the 'exit gate' to exit. Hand sanitiser will be available, and we encourage you to use it before you board the train.

Train Cleaning

We will have a team of volunteers ready to clean your train using TGA approved disinfectants between each trip. For this reason, everyone must alight the train at the end of each trip. Hand sanitiser will be available in the gazebo for the exclusive use of your group.

Jumping Castles

Unfortunately, due to safety concerns, you cannot bring jumping castles in at this time.

If you have any further questions please contact us at bookings@dvr.com.au
